

How can I access my QRUR?

The screenshot shows the CMS.gov Enterprise Portal. At the top, it says "CMS.gov | Enterprise Portal" and "Centers for Medicare & Medicaid Services". There are navigation links for Home, About CMS, Newsroom, Help & FAQs, Email, and Print. A search bar is also present. Below the header, there are tabs for "Health Care Quality Improvement System" and "Provider Resources". The main content area features a large banner for "The Quality Measures Assessment Tool" (QMAT) with a description and a large "QMAT" logo. To the right, there is a "CMS Secure Portal" section with a "Login to CMS Secure Portal" button and links for "Forgot User ID?", "Forgot Password?", and "New User Registration". A navigation menu at the bottom lists various services: CMS Enterprise Portal, MACBIS, Medicare Shared Savings Program, Physician Value, A2P, Open Payments, QMAT, CPE, Innovation Center, MLMB, MCIU, PECOS, Quality Reporting, and CBO.

1. Go to <https://portal.cms.gov> and select "Login to CMS Secure Portal."
2. Accept the Terms and Conditions and enter your EIDM User ID and Password.
3. For step-by-step instructions, refer to the "Guide for Accessing the 2015 Mid-Year QRURs" on the "How to Obtain a QRUR" website.
